

# Instruction Sheet For Slotted End Frame

THE SLOTTED END FRAME IS USED LIKE A GONDOLA END PANEL. HOWEVER THE SLOTS ENABLE YOU TO HANG SHELVES OR OTHER FIXTURE ACCESSORIES FROM IT. AVAILABLE WITH PEGBOARD, PEG PANEL, OR PANEL BACKS.

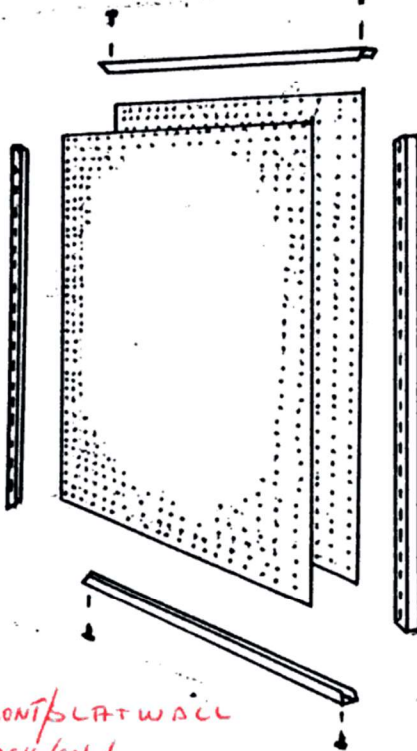

**DETAIL A**

This tab goes between the end shoe and the base shelf.

**DETAIL B**

See Detail B for an Enlarged Assembly View

### Directions:

- 1) Screw bottom to side (NOTE: make sure slotted sides are facing the proper direction).
- 2) Slide board into channels of sides.
- 3) Screw top to sides (NOTE: make sure U shaped piece on top cap is facing opposite of slotted sides)

- 4) Take completed frame & insert bottom tabs between shoe & base.
- 5) Slide U shaped piece on end frame top onto end upright.

### Parts List

- 1 Slotted End Frame Top
- 1 Slotted End Frame Bottom
- 2 Slotted End Frame Sides
- 2 Pieces of Pegboard
- 4 Bolts

**NOTE:** Use ordering procedure outlined in sales manual.
