20"	23"	BWSB 48 20

## OPEN END BASKET SYSTEM

The versatile, strong Open End Basket System permits infinite merchandising presentations. The 9" high back and 4.5" lip provides outstanding visual presentation of hard to stock items. This system can be used without dividers to create "endless" merchandising. Available in all Handy Store Fixtures powder finishes.

Baskets may be ordered with brackets or may be installed directly on an upper shelf.

## LOCKING DIVIDERS

Depth	Fits Shelf	Item #
9"	12"	BWSB 09
