Handy[®]
STORE FIXTURES

CORNER ATTACHMENT ANGLE

Corner Attachment Angle is required to create a "box corner" in pharmacy bays where walls and gondolas meet. They are 84" high and powder coated in sparkling white to match the pharmacy bays. All corner attachment angles are reversible, right or left.

Type	Item #
Wall Std.	TRXCB84

AISLE TIE BAR

Sparkling white, pre-drilled, aisle tie bar provides proper spacing and stability between bays. Adjustable. Attached between finish end panel and shelving upright for a finished, screw-less look.

Item#	TRXATS
